

Initiatives durables

	Save water
	<ul style="list-style-type: none">● Remember to <u>turn off the water</u> when you soap your body or hair<ul style="list-style-type: none">① You benefit from a modern shower. A shower should last on average 5 minutes. Sticking to it saves 130l of water.● Remember to <u>turn off the water</u> when you shave or brush your teeth<ul style="list-style-type: none">① The saving will be 24l of water.Water savers or "aerators" are installed on the kitchen and bathroom taps. This cuts water consumption in half● <u>Use the dishwasher.</u><ul style="list-style-type: none">① Washing the dishes by hand can use up to 200l of extra water.● <u>Use the dual control flush wisely</u><ul style="list-style-type: none">① a double-touch toilet flush allows water savings of 45 to 60%, i.e. more than 5,000l / year / person
	Save electricity
	<ul style="list-style-type: none">● <u>Remember to switch off behind you when you leave a room</u><ul style="list-style-type: none">① All bulbs are LED bulbs or low energy consumption● <u>Use the washing machine</u><ul style="list-style-type: none">① Charge it fully before launching it and wash at 30 ° C if possible, this saves about 25% of electricity● <u>Lower the temperature when you are away but also at night</u><ul style="list-style-type: none">① Electric heating was replaced by a "heat pump" in 2020. This allows energy savings of over 60%. In addition, the programming carried out also optimizes consumption, please respect it
	Recycle

	<ul style="list-style-type: none"> ● <u>Drop your bins as you go in the appropriate containers</u> <ul style="list-style-type: none"> ① the garbage room of the building includes 2 types of containers, yellow for recycling and green for household waste ● <u>Place the glass in the dedicated container</u> <ul style="list-style-type: none"> ① A specific glass container, on the left when leaving the residence, allows you to deposit your bottles ● ① Damaged or excessively worn household linen is systematically placed in the “Le Relais” container which will take care of its recycling. ● ① Furniture broken by unscrupulous tenants is brought to Emmaüs
